Using Computer Software at Home

Children on the autistic spectrum are often quick to grasp the operation of a home computer and enjoy the visual and logical nature of 'interaction' with a PC.

As with a video, this attraction may need to be kept under control to avoid it becoming an obsession, but can also be developed as a learning tool.

The following list of stockists that supply Special Needs Software is as follows:

REM (Rickett Educational Media)

Great Weston House
Langport
Somerset TA10 9YU
Tel: 01458 253 636

SEMERC
